§ 102.85 Investigation of petition by regional director; consent referendum; directed referendum.

Where a petition has been filed pursuant to § 102.83, and it appears to the regional director that the petitioner has made an appropriate showing, in such form as the regional director may determine, that 30 percent or more of the employees within a unit covered by an agreement between their employer and a labor organization requiring membership in such labor organization desire to rescind the authority of such labor organization to make such an agreement, the director shall proceed to conduct a secret ballot of the employees involved on the question whether they desire to rescind the authority of the labor organization to make such an agreement with their employer, except that in any case in which it appears to the regional director that the proceeding raises questions which cannot be decided without a hearing, the director may issue and cause to be served on the parties a notice of hearing before a hearing officer at a time and place fixed therein. The regional director shall fix the time and place of the election, eligibility requirements for voting, and other arrangements of the balloting, but the parties may enter into an agreement, subject to the approval of the regional director, fixing such arrangements. In any such consent agreements, provision may be made for final determination of all questions arising with respect to the balloting by the regional director or, upon grant of a request for review, by the Board.
